Dear Parents,

School Photographs

As some of you will remember, in the past, we have organised a school photograph day where your child and their family have their picture taken by a professional photographer. These photographs are then offered to you to buy and the school receives a small profit from each sale.

In 2017, we decided not to do this because the amount of administration work involved as well as lost learning time was not balanced by enough money coming in. I know that some parents were disappointed. I am therefore, writing to you to find out how many of you would be interested in buying a school photograph of your child if we arranged for this to be done after school, 3pm to 4.30pm and with you signing up to buy the photograph in advance.

If this is something that you would be interested in, please complete the form below and hand back to your child's teacher by **Friday 29 March 2019**.

We will let you know the response as soon as possible.

Yours faithfully,

Mrs. J. E. A. Brierley
Head Teacher
